

Erratum

The following articles, published in the June 2005 issue of Endocrine, were erroneously identified as Case Reports instead of Original Research:

CRH-Stimulation of Cyclic Adenosine 5'-Monophosphate Pathway is Partially Inhibited by the Coexpression of CRH-R1 and CRH-R2alpha

Maya-Nunez, G. et al.

Secretion of Leptin Throughout Pregnancy and Early Postpartum Period in Japanese Monkeys: Placenta as Another Potential Source of Leptin

Wang, C. et al.
