

EBSA Calendar of Events

**Forthcoming Meetings of Member Societies
of the
European Biophysical Societies' Association (EBSA)**

November 5–7,
1984
Orsay

French Biophysical Society

Organisation of Biological Systems

Topics: Receptors; chemi-osmosis; virus assembly; Z-DNA; photosynthesis; membrane ultrastructure; bacterial transcription; secondary active transport

Speakers: Changeux (Paris); Dupont (Grenoble); Jacrot (Grenoble); Leng (Orleans); Mathis (Saclay); Rambourg (Saclay); Schwartz (Paris); Shechter (Paris)

Information: Dr. G. Paillotin, Département de Biologie, Bât. 32, CEN/S, F-91191 Gif-sur-Yvette Cedex, France

April 16–18,
1985
Norwich

British Biophysical Society

Biophysics of the Lens

Topics: Biophysical and physiological aspects of transparency and ultrastructure of the lens

Invited Speakers: Benedek (MIT); Benedetti (Paris); Bloemendal (Nijmegen); Blundell (London); Bron (Oxford); Chylack (Harvard); Clauwaert (Antwerp); Delaye (Orsay); Duncan (Norwich); Goodenough (Harvard); Hightower (Oakland); Horwitz (UCLA); de Jong (Nijmegen); Sivak (Waterloo); Tanaka (MIT); Tardieu (Gif-sur-Yvette); Weale (London); Yu (Atlanta)

Information: Dr. George Duncan, Department of Biochemistry, University of East Anglia, Norwich NR4 7TJ, UK

October 9–11,
1985
Lübeck

German Biophysical Society and Swedish Biophysical Society

Second Joint Meeting

Programme: to be announced

Information: Prof. A. Trautwein, Institut für Physik, Medizinische Hochschule, Ratzeburger Allee 160, D-2400 Lübeck 1, Federal Republic of Germany
