THIRD INTERNATIONAL CONFERENCE ON MALIGNANT LYMPHOMA: CURRENT STATUS AND PROSPECTS

10-13 June 1987, Lugano, Switzerland

The Third International Conference on Malignant Lymphoma will be held at the Palazzo dei Congressi, Lugano, Switzerland on 10-13 June 1987.

This conference will deal with all important approaches in the diagnosis and treatment of Hodgkin's and non-Hodgkin's lymphoma in children and adults.

Most lectures will be given by invited speakers. The program will include free presentations, workshops and a poster session. The deadline for receipt of abstracts is 15 January 1987. For abstract forms and further information, please contact:
