Erratum

Cancer Incidence and Mortality in the European Union: Cancer Registry Data and Estimates of National Incidence for 1990—This paper by Black *et al.* was published in the *European Journal of Cancer*, Vol. 33, No. 7, pp. 1075–1107, 1997. There is an error in the figure for the incidence of cervix cancer in Finland.

Table 12 should read:

No./year	ASR (W)	ASR (E)	CR	% all
147	3.6	4.8	0.4	1.7

and Figure 2k showed the rate of cervix cancer in Finland as 3.6, the lowest in Europe.

We apologise for this mistake and in particular, to the health authorities in Finland, rightfully proud of the achievements of their cervical cancer prevention programme.
