Erratum

Erratum to 'Cervical cancer screening in Austria'  
*Eur J Cancer* 2000, **36**, 2189–2190

G. Breitenecker <sup>a,\*</sup>, H. Wiener <sup>a</sup>, J. Stani <sup>b</sup>

<sup>a</sup>Department of Gynecopathology, University of Vienna, Waehringer Guertel 18–20, 6A, A-1090 Vienna, Austria

<sup>b</sup>CTIAC, Austria

It is regretted that two sentences in the introduction were incorrect. They are shown in their correct form below. We apologise for this mistake.

The rate at the time was approximately 250 000 smears annually and a mortality rate of 900 deaths per year. Today, the screening rate has increased to 1.3 million smears annually, with the mortality decreasing to 350 deaths per year.
