The publisher regrets that errors were printed in the above-mentioned article. The corrections are herewith given.

On page 20, the last column in Table 5, labelled ‘Efficiency’ includes the caption (%) (A/B). The correct form of the caption is (%) (B/A).

On pages 21 and 22, the name ‘Gimple’ is misspelled. This should read ‘Gimpl’.

On page 21, see next to last paragraph, ‘methyl- γ -cyclodextrin’ should read ‘methyl- β -cyclodextrin’.
