^d*Urology Department, St. Thomas' Hospital, London, UK*

^e*Elliot Smith Clinic, Churchill Hospital, Headington, Oxford, UK*

In the above mentioned article, some lines were erroneously printed. The correct versions are herewith given:

Page 172 (Last lines under Table 1)

^b $P < 0.01$ (comparison of agonist potencies between longitudinal and circular muscle).

^c $P < 0.01$ (comparison of intrinsic activities between longitudinal and circular muscle).

Page 174 (Results)

The word “ μ_1 -adrenoceptors” on this page should be replaced with α_1 -adrenoceptors.
