

POSTDOCTORAL COURSE ON DEGRADATION, STABILIZATION AND REACTIVE MODIFICATION OF POLYMERS

(26–31 October 1997, Turin, Italy)

A Postdoctoral course on Degradation, Stabilization and Reactive Modification of Polymers will be held at Villa Gualino, Turin, Italy, on 26–31 October 1997.

This course is aimed at scientists wishing to learn the state-of-the-art in degradation and stabilization of polymers, an area of increasing scientific and technological importance. It will be taught by a small group of lecturers, all of whom are internationally recognised experts.

The organising committee consists of:

Dr N. Billingham (University of Sussex, UK)

Dr G. Camino (University of Turin, Italy)

Prof. J. Lemaire (University of Clermont-Ferrand, France)
