MEMBRANE BIOCHEMISTRY: TRANSPORT AND BIOENERGETICS

Zürich, Switzerland, 26 February – 10 March 1978

The Course, organized by E. Carafoli and G. Semenza, will consist of lectures and laboratory sessions. It is designed to introduce young scientists to the field of membrane biochemistry, with emphasis on transport and bioenergetics.

Registration fee (lodging and meals not included): sFr. 200.--. The 20–25 participants will be selected on the basis of curriculum and the relevance of the Course to their future research.

Applications (state whether travel support is required) should be addressed **before October 15th 1977** to Prof. E. Carafoli, or Prof. G. Semenza, Laboratorium für Biochemie der ETH Zürich, 8092 Zürich, Switzerland.

NEW DNA-SEQUENCING METHODS

Bristol, England, 3 – 7 April 1978

The Course is organized by J.Hindley and N.R.Brown, and will consist of lectures, demonstrations and practical work on the new rapid gel methods of DNA sequencing.

Total number of participants: 20. Registration fee, including board and lodging: £70.

Applications should be sent to Dr J.Hindley, Department of Biochemistry, University of Bristol, Medical School, University Walk, Bristol, BS8 1TD, England, **before 30 November 1977.**
