FEBS 21338

Erratum to: **Kinetic and spectroscopic characterization of an intermediate peroxynitrite complex in the nitrogen monoxide induced oxidation of oxyhemoglobin** (FEBS 21101)

[*FEBS Letters* 439 (1998) 85–88]¹

Susanna Herold*

Laboratorium für Anorganische Chemie, Eidgenössische Technische Hochschule, Universitätstrasse 6, CH-8092 Zürich, Switzerland

Due to the fact that errors were introduced during the production stage of this article, the paper is reprinted in its entirety on the following pages. The errors concerned the units for the extinction coefficients and the second rate order constants in several places on pp. 85–87; second, on pp. 86–87 the signs $\geq$ and $\leq$ were omitted from the text.

The publisher apologizes to author and readers.
