FEBS 22364

Erratum to: H<sup>+</sup>-proton-pumping inorganic pyrophosphatase: a tightly membrane-bound family (FEBS 22076)

[*FEBS Lett.* 452 (1999) 121–127]<sup>1</sup>

Margareta Baltscheffsky\*, Anders Schultz, Herrick Baltscheffsky

*Department of Biochemistry, Arrhenius Laboratories, Stockholm University, S-106 91 Stockholm, Sweden*

In the original publication (*FEBS Lett.* 452 (1999) 121–127), our copy-edit department erroneously changed 'H<sup>+</sup>-PPase' into 'H<sup>+</sup>-proton-pumping inorganic pyrophosphatase' and other similar errors. These inaccurate changes were made in the title, the abstract and key words of the minireview. The correct version of the minireview is reprinted on the following pages.

The publisher apologizes to authors and readers.
