

FEBS ADVANCED COURSE No.65

THE CONTROL OF GLYCOGEN
METABOLISM

Brussels, Belgium, 5-7 September 1979

The course, organized by H. De Wulf, H.G. Hers, L. Hue and G. van de Werve, will cover the properties of enzymes involved in glycogen metabolism as well as aspects specific to muscle, liver, adipocytes and leucocytes. It will include lectures by invited speakers and presentation of posters by registered participants. A limited number of these posters will be subjected to general discussion. Registration fee: about \$50.

Information from: Professor H.G. Hers, Université Catholique de Louvain and International Institute of Cellular and Molecular Pathology, UCL 75.39 - 75 avenue Hippocrate, B-1200 Brussels, Belgium.

The deadline for applications and abstracts is 15 May 1979.

FEBS ADVANCED COURSE No.59

BIOENERGETICS AND TRANSPORT
AT MITOCHONDRIAL AND CELLULAR
LEVELS

Warsaw, Poland, 15-29 June 1980

The course, co-sponsored by the Nencki Institute of Experimental Biology and the Polish Biochemical Society, will consist of lectures, experimental work and discussions. Places will be restricted to 30 qualified applicants. The cost of participation will not exceed US\$ 300.-.

Applications, including a brief description of academic background, present position and scientific interest, and preferably accompanied by a letter of recommendation from the applicant's scientific adviser, should be addressed *before 31 December 1979* to:

Professor L. Wojtczak, Nencki Institute of Experimental Biology, Pasteura 3, 02-093 Warszawa, Poland.

FEBS YOUTH TRAVEL FUND

This Fund is to assist biochemists from FEBS countries, normally below the age of 31, to go abroad to attend an Advanced Course sponsored by FEBS. Each FEBS Course Organizer is given an allocation from the Fund and Grants are made by the FEBS Treasurer in consultation with the Course Organizer concerned. Application forms may be obtained from the Course Organizers or from the Treasurer (Professor S.P. Datta, Biochemistry, University College London, Gower Street, London, WC1E 6BT, England).
