FOURTEENTH NATIONAL NUTRIENT DATABANK CONFERENCE, 19–21 JUNE 1989

The Fourteenth National Nutrient Databank Conference will be held on 19–21 June 1989, at the University of Iowa in Iowa City, Iowa. The conference provides guidance in understanding and evaluating nutrient databases, a forum for discussing database issues, and an opportunity to network with individuals who develop and use nutrient databases, including USDA and other government representatives.

For information about attending or exhibiting at the conference write to Phyllis J. Stumbo, Clinical Research Center 157 MRF, University of Iowa, Iowa City, Iowa 52242, USA, or call (319) 335-8656.
