SUGARLESS—TOWARDS THE YEAR 2000

15–17 September 1993

University of Newcastle upon Tyne, UK

Three years on from *Sugarless—The Way Forward*, another International Symposium, *Sugarless—Towards the Year 2000*, will consider the current and future role of non-sugar sweeteners in foods, medicines and confectionery from the manufacturers, consumers and health care professionals perspective.

The content should be of interest to people concerned with the broad remit of health promotion by dietary means.
