International Division

OBJECTIVES

This workshop focuses on water in food and will cover the progress in the fields of:

- water and food quality, water and food control, water and food stability as well as water and food authenticity
- water determination, water sorption isotherms and water activity as well as rapid methods
- water and food structure and water mobility in food
- water and reference materials

PROGRAMME

The workshop programme will include invited lectures, short communications, a poster session and 5 min poster presentations.

The scientific programme will start on Monday, 27 March at 9h00.

EXHIBITION

An exhibition for the instrumentation for analysis of water in foods and all other analytical aspects in agreement with the objectives of the workshop will be organised. Interested suppliers should contact the organisers for details.

PUBLICATIONS

A book of abstracts of presentations and posters will be available to all participants.

Proceedings will be published in a peer-reviewed scientific journal such as Food Chemistry.

LANGUAGE

The official language of the workshop will be English and no translation will be provided.

LOCATION

The workshop will be held at the Hotel Bedford, in the centre of Brussels.

Hotel Bedford & Congress Centre

Rue du Midi 135

B-1000 Brussels

Tel: +32 (0)2 507 0000

Fax: +32 (0)2 507 0010

E-mail: info@hotelbedford.be

ACCOMODATION

Hotel Bedford & Congress Centre

Rue du Midi 135

B-1000 Brussels

Tel: +32 (0)2 507 0000

Fax: +32 (0)2 507 0010
