

harwood academic publishers
and the
Society for Free Radical Research (European Region)
are pleased to announce the winner of the
harwood Young Investigator Award
for
Free Radical Research

The judging panel of eminent scientists incorporating Professor Helmut Sies from the journal *Free Radical Research*, and Professor J Vina and Dr Federico Pallardo from the Society for Free Radical Research, were very impressed by the standard of entries.

The winner is:

Juan Sastre, of *Valencia, Spain*

Dr Sastre has been awarded £1000, which was announced at the **IXth Biennial Meeting of the International Society for Free Radical Research**, held in Sao Paulo, Brazil, 6–11th September 1998.

Dr Sastre's prize winning abstract and his report of the meeting are published on the following pages.

harwood academic publishers heartily congratulate the winner and would like to take this opportunity to extend their thanks to all entrants to the competition, and to the members of the judging panel for their time and hard work.
