

PERSONAL NEWS

Glycoconjugate researchers are frequently on the move, and some have even been known to obtain promotions or receive honours and prizes. This is also of interest to colleagues throughout the world, so news items will be published regularly in this Journal. **Please inform us!**

H. Paulsen, Hamburg, has been awarded the Claude S. Hudson Award in Carbohydrate Chemistry for 1985 by the American Chemical Society. The presentation took place during the 189th National Meeting of the American Chemical Society on April 29, 1985 in Miami Beach, Florida.

G.F. Springer, Evanston, has been appointed Consultant to the U.S. National Cancer Institute's Working Group for cellular adhesion.

CORRESPONDENCE

In order to facilitate an exchange of ideas and opinions a correspondence section is included in the Journal. It is hoped that this will create a forum for discussion of matters of general glycoconjugate interest. Comments, both positive and negative, regarding this Journal are also welcomed, to enable us to cater for the requirements of our readers.

Dolichols, polyprenols and their derivatives, labelled and unlabelled, HPLC standards, etc. from stock or specially prepared for individual customers by our staff are supplied by "COLLECTION OF POLYPRENOLS", at the address given below. Information, catalogue and free samples are available upon request.
