

PERSONAL NEWS

Glycoconjugate researchers are frequently on the move, and some have even been known to obtain promotions or receive honours and prizes. This is also of interest to colleagues throughout the world, so news items will be published regularly in this Journal. **Please inform us.**

J F G Vliegthart and his co-workers have moved to more spacious accommodation in Utrecht. Their new address is: Utrecht University, Department of Bio-Organic Chemistry, Transitorium III, P.O. Box 80.075, NL-3508 TB UTRECHT, The Netherlands.

CORRESPONDENCE

Dear Colleague

Please note that there is a slight modification in the dates of the IXth International Symposium on Glycoconjugates. These are changed from July 5-10, 1987 to July 6-11, 1987 to help many of our American colleagues who would have difficulties travelling on Independence Day, July 4th.

Sincerely yours
J. Montreuil
