

POSITIONS AVAILABLE

Three POSTDOCTORAL BIOCHEMIST/CHEMIST positions are available to work with Professors Bernd Meyer and Herman van Halbeek in the study of complex carbohydrates of biochemical interest. Specific projects are (1) separation and structural analysis using LC and MS, (2) experimental conformational analysis using NMR spectroscopy, and (3) theoretical conformational analysis.

The salary is negotiable, depending on experience. Applications are being considered from December 1st, 1989. Send your letter of application, complete c.v., and description of research experience to Dr. Alan Darvill, Complex Carbohydrate Research Center, The University of Georgia, 220 Riverbend Road, Athens, GA 30602, U.S.A. (An AA/EEO institution).
