

An Invitation to the World's Largest Industrial Green Chemistry Workshop (IGCW-2009)

4th, 5th & 6th December 2009, Mumbai, INDIA

www.industrialgreenchem.com

Participate in the world's largest Industrial Green Chemistry Workshop (IGCW-2009), organized for the first time in Mumbai, India. IGCW-2009 invites all fine chemical manufacturing companies including Drugs and Pharma, Agrochemicals, Dyes & Pigments, Fine & Specialty Chemical companies.

The 9-Eye (I) Approach of IGCW-2009:

	Theme	Participating Delegates / Lead Speakers
Day 1	Ignition Inspiration Initiation	Over 300 Senior delegates from the World of Management including: Chairmen, CEO's, MD's, CXO's, PRO's, Strategic Advisors, Founders, Entrepreneurs etc. <ul style="list-style-type: none"> • Prof. Paul Anastas, Centre for Green Chemistry & Green Engineering at Yale, USA. • Dr. Buzz Cue, Former VP Pfizer, CEO, BWC Pharma Consulting • Dr. Bob Peoples, American Chemical Society - Green Chemistry Institute (ACS-GCI), USA. • Industrial Case Studies from Tata Groups, Dr. Reddys etc.
Day 2	Identification Invention Innovation	Senior delegates from the World of R&D: Technical Directors, R & D Managers, CTO's, CXO's, Chief Scientists, Consultants, Advisors etc. <ul style="list-style-type: none"> • Dr. John Warner, Warner Babcock Institute for Green Chemistry, USA • Dr. Mark Dorfman, Bio-Mimicry Guild • Prof. G. D. Yadav, Director, ICT, India • Dr. Rajendra Varma, Environment Protection Agency, USA
Day 3	Implementation Industrialisation Impact	Senior delegates from the World of Operation & Production: Process, Projects, Production & Operation Managers, General Managers, CXO's, Directors etc. <ul style="list-style-type: none"> • Dr. Joe Armstrong, Merck Research Laboratories • Dr. Amy Canon, Beyond Benign, USA • Dr. Kira Matus, Harvard University, USA • Industrial Case Studies from Jubilant Organosys, Aptuit Laurus etc.

The distribution of participants at IGCW-2009 will comprise 50% Indian Industries, 20% International Industries, 10% Associations & Societal Bodies, 10% Academia & Research Institutes, 5% Students and 5% Invitees.

Organizers:

Newreka Green Synth
Technologies Pvt. Ltd.
Mumbai, India

Green Chemistry
Network Center
(GCNC),
Delhi, India

Chemical Industry Digest
Mumbai, India

Supporters:

- Center for Green Chemistry & Green Engineering at Yale, USA
- Warner Babcock Institute for Green Chemistry, USA
- American Chemical Society - Green Chemistry Institute (ACS-GCI), USA
- Dept. of Science & Technology, Govt. of India
- Dept. of Chem. Engg., IIT-Bombay, India

Media Partners:

- **Speciality Chemicals Magazine** - DMG World Media, UK
- **Green Chemistry Journal** - Royal Society of Chemistry (RSC), UK
- **Chemical Search International**, UK
- **Green Chemistry Letters and Reviews Journal**, USA
