

SOCIÉTÉ DE CHIMIE PHYSIQUE (France)

La Société de Chimie physique consacrera sa *vingtième réunion annuelle* à une discussion sur le sujet suivant:

Transitions non radiatives dans les molécules

Cette réunion aura lieu à Paris du 27 au 30 mai 1969.

Pour tous renseignements: s'adresser au Secrétaire Général de la Société de Chimie physique, 10, rue Vauquelin, 75 – PARIS 5°

Under the sponsorship of IUPAC
the Chemical Section of the Hungarian Academy of Sciences organizes an

International Symposium on Macromolecular Chemistry
in Budapest, 25–30 August, 1969

Besides selected *Plenary Lectures* by invited speakers original and unpublished *Papers* (probably in limited number in order to promote discussion) may be presented. Authors are asked to send a short summary (20–25 lines) to the Secretariat until 15 October 1968. Papers will have to be accepted by the Scientific Committee which will inform the authors accordingly.

Official languages: English, Russian, French and German. No translation will be provided.

For *general information*, the *presentation of papers*, and the *first circular* with application card (for preliminary application) please contact the
