## Dynamic Aspects of Conformational Changes in Biological Macromolecules

Société de Chimie Physique (France), 23rd Annual Meeting  
Orléans (France) – 19–22 September 1972

The changes will be considered with respect to the changing part of the molecule, either a given site or global change (t-RNA, polypeptidic chains, oligomers, organized systems) and to the method: radiocrystallography, NMR., ESR., optical emission or absorption, fast kinetics, chemical or isotopic substitution.

Deadline for submitting contributions: 1 March 1972 – 1 page typewritten abstract (plus bibliography and illustrations if necessary).

Apply for information to: Secrétaire général, Société de Chimie physique, 10, rue Vauquelin, 75 Paris (5ème) France.
