

International Symposium on Mass Spectrometry in Drug Metabolism

by Istituto di Ricerche Farmacologiche Mario Negri

Milano, 21–23 June 1976

Further informations: Dr. A. Frigerio, Istituto di Ricerche Farmacologiche «Mario Negri»,
Via Eritrea 62, 20157 Milano.

International Chemistry Symposia

by International Union of Pure and Applied Chemistry

International Conference on Colloids and Surfaces

San Juan, Puerto Rico, 21–25 June 1976

III International Meeting on Boron Chemistry

München and Ettal, 5–9 July 1976

International Symposium on Low Molecular Weight Sulfur Containing Natural Products

Jablonna, Poland, 6–10 July 1976

V Discussion Conference and Microsymposium on Macromolecules

Prague, 12–16 July 1976

V International Symposium on Medicinal Chemistry

Paris, 19–22 July 1976

VII International Mass Spectrometry Conference

Florence, 30 August–3 September 1976

II Europhysical Topical Conference

Berlin West, 30 August–3 September 1976

III IUPAC Conference on Physical Organic Chemistry

Montpellier, France, 6–10 September 1976

Symposium on Nonisothermal Systems

Zürich, 9–10 September 1976

Further informations: Dr. M. Williams, IUPAC Executive Secretary, Bank Court Chambers,
2–3 Pound Way, Cowley Centre, Oxford OX4 3YF.

Third International Symposium on the Chemistry of Small Ring Compounds and Activated Multiple Bonds

by Société Chimique de Belgique, Section de Louvain-la-Neuve

Louvain-la-Neuve, Belgium, 23–27 August 1976

Further informations: Dr. L. van Simaey, Place des Sciences 3, B-1348 Louvain-la-Neuve.

EUCHEM Conferences 1976

Molten Salts

Noordwijk, Holland, 29 August–6 September 1976

Further informations: Prof. J. A. Ketelaar, Nieuwe Achtergracht 166, Amsterdam C.

Singlet-oxygen Reactions with Polymers

Stockholm, 2–4 September 1976

Further informations: Prof. B. Ranby, Dept. of Polymer Techn. Royal Inst. of Technol., S-100 44 Stockholm 70.

Hyperbases in Elimination and Carbonium Reactions

Pont à Mousson, Nancy, France, 13–16 September 1976

Further informations: Prof. P. Caubere, Lab. de Chimie Organique, Univ. of Nancy, C.O. 140, F-54037 Nancy.

Energy Migration within Crystalline Solids and Across their Surfaces

Cork (Ireland), 22–23 September 1976

Further informations: Prof. J. Cunningham, Dept. of Chemistry University College Cork

International Workshop – Modern Synthetic Methods 1976

by Schweizerischer Chemiker-Verband

Interlaken, 23–24 September 1976

Further informations: Prof. Dr. R. Scheffold, Institut für Organische Chemie der Universität Bern, Erlachstrasse 9a, CH–3012 Bern.

Review Symposium: Laboratory Safety in Higher Education

by Chemical Society

Hulme Hall, Manchester, 9–10 July 1976

Further informations: M. D. Robinson, Burlington House, London W1V 0BN.

Structure and Properties of Synthetic Fibers

by Prof. J. W. S. Hearle, the Departement of Textile Technology of the University of Manchester, Prof. W. O. Statton of the Departement of Materials Science and Engineering, The University of Utah, Salt Lake City, Utah, and Prof. G. Valk of the Textilforschungsanstalt Krefeld, Krefeld, Germany.

Zürich Airport Hilton, Zürich, 1–2 July 1976

Further informations: Fiber Fundamentals, P.O. Box 443, Ithaca NY, 14850, USA.

The Second European Colloquium on Hypothalamic Hormones

Tübingen, 26–28 July 1976

Further informations: Dr. Heidi Voelter, Postfach 2645, D–7400 Tübingen, Germany.
