The 1977–1978 Johananoff International Fellowship for Advanced Biomedical Studies

The Foundations 'Mario Negri Institute Foundation, Inc.', of New York City, U.S.A., and the 'Mario Negri Institute for Pharmacological Research', of Milan, Italy, invite applications for the *1977–1978 Johananoff International Fellowship for Advanced Biomedical Studies*, established through the generosity of Mr. Johananoff, a prominent international industrialist.

The Johananoff Fellowship is offering a foreign (non-Italian) distinguished scientist, internationally renowned for outstanding contributions in *cancer chemotherapy and/or immunology, cardiovascular pharmacology, neuropharmacology, or drug metabolism*, the opportunity to spend his/her *sabbatical year (eleven months)* at the Mario Negri Institute an 'Advanced Study' on a chosen topic of his/her specific competence.

Only scientist from academic institutions, non-profit organizations or governmental agencies will be considered.

Preference shall be given to *mid-career* scientists, belonging to the age group 35 to 50.

Applications, submitted according to the specific instructions, should be received by *January 31, 1977* and must include a curriculum vitae, list of publications and outline of the proposed studies.

The award will be announced by March 30, 1977. The recipient can come to Milan any date thereafter, provided the arrival date falls within 1977.

The award is in the amount of \$ 15.000 U.S. for one year, payable in Milan, in monthly installments.

There are no objections to the Johananoff Fellow receiving his regular stipend or any other support.

Further informations: The Johananoff Fellowship Committee, Istituto di Ricerche Farmacologiche 'Mario Negri', via Eritrea, 62, 20157 Milan, Italy. Tel. (02) 355.4546, Telex 37268 NEGRINST.
