Erratum

Helv. 59, 1904 (1976), Abhandlung Nr. 196 von *O. Goldberg & A. S. Dreiding*: S. 1909, 9. Zeile: 3,87 (chemische Verschiebung von 2 H–C(3')) ist durch 4,20 und 3,90 (chemische Verschiebung von CH₃–CH₂O) ist durch 4,23 zu ersetzen.
