

EUCHEM-Konferenz über Stereochemie

Bürgenstock (Vierwaldstättersee), 30. April–6. Mai 1978

Teilnehmerzahl begrenzt. Anmeldungen bis spätestens 15. Januar 1978 an:

Prof. H.A. Staab, Max-Planck-Institut, Organ.-chem. Abteilung, Jahnstr. 29, D–69 Heidelberg

2^e Réunion du groupe d'études de resonance magnétique nucléaire

Vichy, 18–28 mars 1978

Inscriptions: Prof. G. J. Martin, Laboratoire de Chimie Organique Physique, B.P. 1044, F–44037 Nantes, Cédex

12. Kongress der Europäischen Biochemischen Gesellschaften (12th FEBS-Meeting)

Dresden, 2.–8. Juli 1978

Auskunft erteilt: 12. FEBS-Meeting Dresden, DDR–806 Dresden, P.O.B. 313

V. Internationales Salz-Symposium

Congress-Centrum Hamburg, 29. Mai–1. Juni 1978

Auskunft erteilt: V. Internationales Salz-Symposium 1978, c/o Kaliverein e.V., Theaterstr. 15, Postfach 3266, D–3000 Hannover

XIV. FATIPEC Congress

by FATIPEC, The Hungarian Chemical Society

Budapest, June 4–9, 1978

Further informations: Magyar Kémikusok Egyesülete, FATIPEC XIV, Pf. 240, H–1368 Budapest

3rd International Symposium on Genetics of Industrial Microorganisms

by IUPAC

Madison, Wisconsin, 5–9 June 1978

Further informations: Prof. D. Perlman, School of Pharmacy, University of Wisconsin, Madison, Wisconsin 53706

4th International Congress of Pesticide Chemistry

by IUPAC

Zürich, July 24–28, 1978

Further informations: Congress Secretariat, P.O. Box 182, CH–4013 Basel

Euroanalysis III

by Federation of European Chemical Societies

Dublin, 20–25 August 1978

Further informations: Dr Robert Letters, Institute of Chemistry of Ireland, Dublin, Ireland

Fourth International Meeting NMR. Spectroscopy

by The Chemical Society

York, England, 2–7 July 1978

Further informations: Dr John F. Gibson, The Chemical Society, Burlington House, London W1V 0BN

MICRO – 78

by The Royal Microscopical Society

Bloomsbury Centre Hotel, London, 10–14 July 1978

Further informations: The Royal Microscopical Society, 37/38 St. Clements, Oxford, OX4 1AJ

International Symposium on The Chemistry and Biochemistry of Prostanoids

by The Chemical Society

University of Salford, 11–14 July 1978

Invited speakers: W. Bartmann, P. Crabbé, M. P. L. Caton, D. A. van Dorp, J. Fried, P. A. Grieco, E. W. Horton, R. L. Jones, S. Moncada, J. Muchowski, R. F. Newton, C. Pace-Asciak, R. Pappo, J. E. Pike, B. Samuelsson, C. J. Sih, D. Taub, E. R. H. Walker and M. Vandewalle.

A limited number of contributed papers can be included in the symposium and abstracts (100 words) are to be submitted for consideration to Dr. S. M. Roberts, Dept. of Chemistry, University of Salford, Salford M5 4WT, until 31 December 1977.

Further informations: Miss A. M. Tonks, Symposium Secretary, Room 2, University of Salford, Salford M5 4WT
