

4th International Symposium on Column Liquid Chromatography

Boston, 7–10 May 1979

Further informations: Nathan M. Goldberg, Director, Department of Professional Development,
Northeastern University, 110 Mugar, Boston, Massachusetts 02115

Fifth International Symposium on Bioelectrochemistry and Bioenergetics

by Society of Physical and Mathematical Biology of the GDR
Weimar, 3–8 September 1979

Further informations: Prof. Dr. H. Berg, DDR–69 Jena, ZIMET, Beuthenbergstrasse 11

Sixth International Symposium

SYNTHESIS IN ORGANIC CHEMISTRY

by The Chemical Society – Perkin Division
Cambridge, 23–26 July 1979

Further informations: Dr. Malcolm D. Robinson, The Chemical Society, Burlington House,
London W1V 0BN

Italian Group for Mass Spectrometry in Biochemistry and Medicine organize:

10th International Symposium on Chromatography and Electrophoresis

Venice, 19–20 June 1979

in conjunction with the

6th International Symposium on Mass Spectrometry in Biochemistry and Medicine

Venice, 21–22 June 1979

Further informations: Dott. Alberto Frigerio, Istituto di Ricerche Farmacologiche «Mario Negri»,
Via Eritrea, 62, 20157 Milan, Italy
