

**BIOGRAPHICAL DATA**

**Name:** Kenji Koga

**Date and Place of birth:** February 11, 1938, Nagoya

**Education:**

Faculty of Pharmaceutical Sciences, The University of Tokyo, B.S., 1960

Faculty of Pharmaceutical Sciences, The University of Tokyo, Ph. D., 1967

**Academic Awards:**

The Pharmaceutical Society of Japan Award for Young Scientists, 1971

Inoue Prize for Science, 1991

The Pharmaceutical Society of Japan Award, 1994

Japan Academy Prize, 1995

**Appointments:**

**Positions:**

Faculty of Pharmaceutical Sciences, The University of Tokyo, Assistant Professor, 1965-1968

Faculty of Pharmaceutical Sciences, The University of Tokyo, Associate Professor, 1968-1976

Faculty of Pharmaceutical Sciences, The University of Tokyo, Professor, 1976-1998

Faculty of Pharmaceutical Sciences, The University of Tokyo, Emeritus Professor, 1998

Research and Education Center for Materials Science, Nara Institute of Science and Technology, Professor, 1998-2003

Research and Education Center for Materials Science, Nara Institute of Science and Technology, Emeritus Professor, 2003

Waseda University, Professor, 2003-2004

**Representative Membership:**

Vice president of Pharmaceutical Society of Japan

Representative Member of The Science Council of Japan

**Editorial Boards:**

**Invited Lectures:**

Silver Jubilee Symposium of National Chemical Laboratory (Pune, India, February 1976)  
The ACS/CSJ Chemical Congress (Honolulu, USA, April 1979)  
Symposium on Asymmetric Synthesis at the 180th ACS National Meeting (Las Vegas, USA, August 1980)  
Symposium on Medicinal Chemistry at German Chemical Society (Schliersee, West Germany, May 1981)  
US-Japan Seminar on Asymmetric Reactions and Processes in Chemistry (Stanford, USA, July 1981)  
China-Japan Symposium on Organic Chemistry (Taipei, Republic of China, July 1983)  
Japan-Korea Seminar on Organic Chemistry (Kyoto, Japan, May 1984)  
IUPAC General Meeting (Poznan, Poland, June 1984)  
Gordon Conference on Stereochemistry (Plymouth, USA, July 1984)  
Korean Chemical Society Annual Meeting (Seoul, Korea, October 1984)  
The 1984 International Chemical Congress of Pacific Basin Societies (Honolulu, USA, December 1984)  
The Pharmaceutical Society of Korea Annual Meeting (Seoul, Korea, February 1985)  
Japan-US Cooperation in Research (JSPS) (University of Pennsylvania, Colorado State University, USA, October 1985)  
Gordon Conference on Stereochemistry (Plymouth, USA, June 1986)  
The 1st International Conference on Inclusion Compounds and Cyclodextrins (Lancaster, UK, July 1986)  
The 6th International Conference on Organic Synthesis (IUPAC) (Moscow, USSR, August 1986)  
The 12th International Symposium on Macrocyclic Chemistry (Hiroshima, Japan, July 1987)  
IUPAC General Meeting (Sofia, Bulgaria, July 1987)  
Visiting Professor (JSPS Exchange Program) (University of Groningen, University of Amsterdam, University of Nijmegen, University of Twente, The Netherlands, August~ September 1987)  
French Chemical Society Annual Meeting (Paris, France, August 1987)  
French-Japanese Symposium on Medicinal and Fine Chemistry (Tour, France, September 1987)  
The Dutch Chemical Society Annual Meeting (Amsterdam, The Netherlands, September 1987)  
US-Japan Seminar on Molecular Recognition (Miami, USA, October 1987)  
JUC PHARM SCI '87 (Honolulu, USA, December 1987)  
Bürgenstock Conference (Bürgenstock, Switzerland, May 1988)  
The 5th International Symposium on Molecular Recognition (Orange Beach, USA, September 1988)  
The 4th Cyprus Conference on New Methods in Drug Research (Paphos, Cyprus, May 1989)  
EUCHEM Conference on New Trends in Asymmetric Synthesis and Related Processes (Lyon, France,

October 1989)

- International Chemical Congress of Pacific Basin Societies (Honolulu, USA, December 1989)  
Seminar on Asymmetric Synthesis (University of California at Los Angeles, USA, March 1990)  
Symposium on Molecular Recognition (Pohang, Korea, November 1990)  
Chinese Chemical Society Annual Meeting (Shinchu, Republic of China, December 1990)  
Japan-US Seminar on Selectivity in Synthetic and Bio-organic Chemistry (Tokyo, Japan, June 1991)  
Organic Chemistry Symposium (Cambridge, UK, July 1991)  
The 5th International Kyoto Conference on Organic Chemistry (Kyoto, Japan, November 1991)  
Japan-US Cooperation in Research (JSPS) (Massachusetts Institute of Technology, USA, August 1992)  
Gordon Conference on Reactions and Processes (New Hampton, USA, July 1993)  
The 7th IUPAC Symposium on Organometallic Chemistry Directed towards Organic Synthesis (Kobe, Japan, September 1993)  
The Cram Symposium (University of California at Los Angeles, USA, March 1994)  
Hoechst-Rousell Lecturer (Ohio State University, USA, April 1994)  
International Symposium on Pharmaceutical Sciences (Seoul, Korea, June 1995)  
Seminar on Asymmetric Synthesis (Institute de Chimie des Substances Naturelles, CNRS, Gif-sur-Yvette, France, September 1996)  
Symposium on New Dimensions in Organic Chemistry (Nijmegen, The Netherlands, November 1996)  
Syntex Lecturer (Colorado State University, USA, December 1996)  
Symposium on Asymmetric Synthesis of Fluoro-organic Compounds at the 216th ACS National Meeting (Boston, USA, August 1998)  
The 5th Anglo-Norman Organic Chemistry Colloquium (Normandy, France, May 1999)  
The Annual Meeting of Canadian Chemical Society (Calgary, Canada, May 2000)  
Donald J. Cram Memorial Symposium (University of California at Los Angeles, USA, March 2002)  
Donald J. Cram Memorial Symposium (Boston, USA, August 2002)
