

Additions and Corrections

1996, Volume 35

Pierre Bonhôte,* Ana-Paula Dias, Michel Armand, Nicholas Papageorgiou, Kuppuswamy Kalyanasundaram, and Michael Grätzel*: Hydrophobic, Highly Conductive Ambient-Temperature Molten Salts.

Page 1168. The name of the third author (Michel Armand) was omitted from the byline of the original paper. The corrected byline is as printed here. All future citations of the publication should take this correction into account, which will also be attached to all reprints sent out from our laboratory.
