

Additions and Corrections

1992, Volume 31

Mario Branca,* Giovanni Micera, Ulderico Segre, and Alessandro Dessi: Structural Information on Chromium(V) Complexes of 1,2-Diols in Solution, As Determined by Isotropic and Anisotropic ^1H ENDOR Spectroscopy.

Page 2405. The second equation in the second column should read as follows:

$$g(\delta) = \sqrt{(1/2\pi\sigma^2)}e^{-\delta^2/2\sigma^2}$$

—Mario Branca
