

2006, Volume 45

**Anna Company, Mireia Guell, Dana Popa, Jordi Benet-Buchholz, Teodor Parella, Xavier Fontrodona, Antoni Llobet, Miquel Solà, Xavi Ribasm, Josep M. Luis,\* and Miquel Costas\*:** Redox-Controlled Molecular Flipper Based on a Chiral Cu Complex

Page 9645. We erroneously duplicated a line, and omitted another one in Table S5 of the Supporting Information with the position coordinates of the Cu atom.

The last line of Table S5 should be removed, and the following should be included as the first line in Table S5:

Cu 0.000000 0.000000 0.785238
