Sushobhan Ghosh, Rajesh Chakrabarty, and Partha Sarathi Mukherjee*: Design, Synthesis, and Characterizations of a Series of Pt₄ Macrocycles and Fluorescent Sensing of Cu²⁺/Ni²⁺ Through Metal Coordination

Page 553. The original Scheme 4 was not correct. Parts of structures **2c** and **2c'** within the scheme were switched. The correct graphic is given below. Note that none of the inferences and conclusions are affected by this change.

Scheme 4. Two Possible Macrocylic Linkage Isomers for the [2 + 2] Self-Assembly of **1a** and L₃
