## Corrigendum

Inorganica Chimica Acta, 65 (1982) L65-L67

## Photoinduced Catalytic Decomposition of Water and Tertiary Amines or Carbohydrates

B. HUBESCH and B. MAHIEU (Louvain-La-Neuve, Belgium)

Page L65, r.h. column, penultimate line, ... platinum or ether ... should read ... platinum or other ...

Page L66, mechanism (1) to (4) should appear:

(1) 
$$(COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overline{N}-CH_2-COOH \xrightarrow{-e^-} (COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overline{N}-CH_2-COOH$$

$$CH_2-COOH$$

$$CH_2-COOH$$

(2) 
$$(COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overset{\text{\#}}{\overset{\cdot}{N}}-CH_2-COOH \xrightarrow{-H^{+}} (COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overline{N}-\overset{\cdot}{C}H-COOH \xrightarrow{CH_2-COOH}$$

(3) 
$$(COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overline{N}-\dot{C}H-COOH \xrightarrow{-e^-} (COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overset{\oplus}{N}=CH-COOH CH_2-COOH_4$$

(4) 
$$(COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overset{\oplus}{N}=CH-COOH$$
  $\xrightarrow{-H^{\dagger}} (COOH-CH_2)_2\overline{N}-CH_2-CH_2-\overline{N}H-CH_2-COOH$  +COH-COOH

## **Erratum**

Inorganica Chimica Acta, 65 (1982) L121-L122

N-Methylbipyridylium Complexes: Synthetic Evidence for a Monodentate Intermediate in the Formation of Chelated 2,2'-Bipyridyl Complexes

S. DHOLAKIA, R. D. GILLARD and F. L. WIMMER (Cardiff, U.K.)

The name of the third author (F. L. W.) was erroneously printed WIDMER instead of the correct WIMMER. We apologise for this mistake.
