Inorganica Chimica Acta, 62 (1982) 149–151

The Preparation and Identification of Phases from the Tin(II) Chloride Glycylglycinate System

LORENZO PELLERITO, GIUSEPPE RUISI, M. TERESA LO GIUDICE, ROSALBA CEFALÙ (*Palermo, Italy*)

JOHN D. DONALDSON, SUSAN M. GRIMES (*London, U.K.*)

and PETER J. SMITH (*Greenford, U.K.*)

Page 149, Table I; the fourth element in the headings is tin, thus the heading should read Sn% and not Sm%.
Page 151, the two different types of glycylglycine should be represented by:
