Information

DENVER CONFERENCE ON APPLICATIONS OF X-RAY ANALYSIS

The 1980 Denver Conference on Applications of X-Ray Analysis, 29th in the series, will be held August 4-8 on the University of Denver campus. On the first two days of the conference, August 4 and 5, tutorial workshops on special aspects of X-ray diffraction and fluorescence analysis will be conducted. The Proceedings of this conference, *Advances in X-Ray Analysis*, will be published by Plenum Press as Volume 24 of that series.

To receive an announcement, write or call Mrs. Mildred Cain, Denver Research Institute, University of Denver, Denver, Colorado 80208, 303/753-2141.

WORKSHOP ON TCDD AND RELATED COMPOUNDS

Date: October 22-24, 1980.

Place: Rome, Italy.

Host: Istituto Superiore di Sanita.

Official language: English.

Organizing Committee: Prof. Dr. R. W. Frei, Free University, Amsterdam; Prof. Dr. O. Hutzinger, University of Amsterdam; Dr. E. Merian, Swiss Assoc. Environ. Research; Prof. Dr. F. Pocchiari, Institute of Public Health, Rome.

Organizing Association: The International Association of Environmental Analytical Chemistry.

The International Association of Environmental Analytical Chemistry organizes annual symposia on "Advances in Environmental Analytical Chemistry" at different locations in Europe and North America. The 9th symposium in 1979 was held in Georgia, U.S.A. and the 10th symposium will take place in Dortmund, Germany, in May 1980.

About the Workshop. The meeting will be problem oriented and will include all aspects of analytical chemistry, environmental chemistry, human toxicology and ecotoxicology as well as case studies. Key areas are going to be treated by

invited speakers. Emphasis will be placed on discussion and exchange of information possibly supported by short research paper and posters.

Attendance to this workshop is limited to a maximum of ca. 80 people. A balance between representatives from Universities, Government and Industry will be sought and emphasis will be on maximum interaction between participants.

The proceedings of this workshop will be published by PERGAMON PRESS, Oxford.

Further informations can be obtained from Prof. Dr. O. Hutzinger, University of Amsterdam, Nieuwe Achtergracht 166, Amsterdam, The Netherlands.
