

# Acknowledgment of Reviewers

Consistent quality of papers published in *The International Journal of Heat and Fluid Flow* can only be maintained with the cooperation of a number of expert referees. The Editors-in-Chief would like to thank all those who have donated the hours necessary to review, evaluate, and comment on manuscripts; their conscientious efforts have allowed the journal to maintain its tradition of excellence. In addition to recording thanks to Advisory Editors for their efforts as referees, we are grateful to:
