

## ERRATUM

R. A. ALPHER, Heat transfer in magnetohydrodynamic flow between parallel plates, *Int. J. Heat Mass Transfer*, **3**, 108, (1961).

The last term in equation (25) should read

$$+ \left( 1 - \frac{u_0}{\bar{u}} \frac{\tanh 2M \tanh^2 M}{6M} \right) C_3,$$

while the last term in equation (28) should read

$$- \frac{1}{4} \left( 1 - \frac{u_0}{\bar{u}} \frac{\tanh 2M \tanh^2 M}{6M} \right) \cosh 2M \operatorname{sech}^2 M$$
