

## ERRATUM

S. N. Singh and J. M. Elliott, Free convection between horizontal concentric cylinders in a slightly-thermally stratified fluid, *Int. J. Heat Mass Transfer* **22**, 639-646 (1979).

Figure 6 should be as given below.

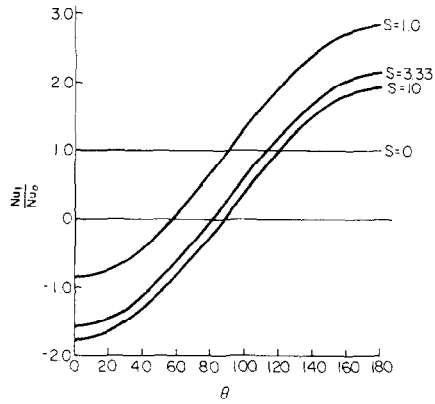

FIG. 6. Ratio of local Nusselt number for the inner cylinder to the Nusselt number for  $S = 0$  vs angular position.
