

Heat and mass transfer bibliography— Soviet works

O. G. MARTYNENKO

Heat and Mass Transfer Institute, Minsk, 220728, U.S.S.R.

(Received 9 December 1988)

BOOKS

- O. M. Alifanov, *Inverse Heat Transfer Problems*. Izd. Mashinostroeniye, Moscow (1988).
- O. M. Alifanov, Ye. A. Artyukhin and S. V. Romyantsev, *Experimental Methods for Solving Incorrect Problems and their Application to Inverse Heat Transfer Problems*. Izd. Nauka, Moscow (1988).
- B. V. Dzyubenko, G. A. Dreitser and L.-V. Ashmantas, *Unsteady-state Heat and Mass Transfer in Bundles of Helical Tubes*. Izd. Mashinostroeniye, Moscow (1988).
- F. M. Fyodorov, *The Boundary Method in Non-linear Heat Conduction Problems*. Izd. SO AN SSSR, Yakutsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 1: Convective Heat and Mass Transfer*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 2: Radiative and Combined Heat Transfer*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 3: Heat and Mass Transfer in Chemically Reacting Systems*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 5: Heat and Mass Transfer in Disperse Systems*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 6: Heat and Mass Transfer in Rheological Systems*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 7: Heat and Mass Transfer in Capillary-porous Bodies*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 8: Heat Conduction*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 9: Computational Experiment in the Problems of Heat and Mass Transfer*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer Forum, 24–27 May 1988, Minsk. Section 10: Heat and Mass Transfer in Power Engineering Equipment*. Izd. ITMO AN BSSR, Minsk (1988).
- Heat and Mass Transfer, Extended Abstracts of the Papers Submitted to the Minsk International Heat and Mass Transfer*

- Forum, 24–27 May 1988, Minsk. Section 11: Heat and Mass Transfer in the Equipment of Chemical Technology*. Izd. ITMO AN BSSR, Minsk (1988).
- Mathematical Methods of Heat and Mass Transfer*, Collected Papers. Izd. DGU, Dnepropetrovsk (1987).
- N. I. Nikitenko, *Conjugated and Inverse Heat and Mass Transfer Problems*. Izd. Naukova Dumka, Kiev (1988).
- D. A. Nusupbekova, *The Thermal Regime of Overland Pipelines in Winter Conditions*. Izd. Nauka, Alma-Ata (1988).
- V. M. Polyakov, V. A. Maiorov and L. L. Vasiliyev, *Hydrodynamics and Heat Transfer in the Porous Elements of Flying Vehicle Constructions*. Izd. Mashinostroeniye, Moscow (1988).
- V. F. Prisnyakov, *Boiling*. Izd. Naukova Dumka, Kiev (1988).
- Thermal Processes in the Elements of Power Plants*, Collected Papers. Izd. Naukova Dumka, Kiev (1987).

PAPERS—GENERAL

- E. T. Brook-Levinson and L. P. Orlov, Statistical calculation of the self-diffusion coefficients of binary disordered substitutional solid solutions, *Inzh.-fiz. Zh.* **55**(3), 402–409 (1988).
