

ERRATUM

B. Mottahed and M. Molki, Artificial roughness effects on turbulent transfer coefficients in the entrance region of a circular tube, *Int. J. Heat Mass Transfer* **39**, 2515–2522 (1996).

The publishers regret that Table 1 (referred to on p. 2521) was omitted from the above paper. It is published below.

Table 1. Calculated coefficients, correlation factors and thermal entrance length for various conditions

$P/e, e/D$	a	b	c	d	L_e/D	R
80, 0.013	0.00354	3.543E-7	-1.00E-11	7.72E-17	7.5	0.977
