

ANNOUNCEMENT

CALL FOR PAPERS

26th HEAT TRANSFER AND FLUID MECHANICS INSTITUTE
JUNE 26, 27 and 28, 1978
WASHINGTON STATE UNIVERSITY, PULLMAN WN.

Papers will be entertained which deal with basic advances in all areas of heat transfer and fluid mechanics. Particular emphasis this year will be given to those papers, both experimental and computational or analytical, related to energy conservation.

Papers or summaries 1500 words in length must be submitted by November 1, 1977. Authors will be informed of the acceptance or rejection of their papers by January 16, 1978. Final manuscripts of accepted papers must be submitted by March 1, 1978. Papers or summaries and any further inquiries regarding the Institute should be sent to:

Clayton T. Crowe, General Chairman - HTFMI
Department of Mechanical Engineering
Washington State University
Pullman, Washington 99164
