

ANNOUNCEMENT

INTERNATIONAL SOLAR ENERGY CONGRESS 1977

CALL FOR PAPERS

The International Solar Energy Congress 1977 will be held in New Delhi, India, from the 14th to the 19th of November, 1977.

Papers for the Congress are solicited in the following areas from those planning to attend the event:

1. National Solar Energy Programmes
2. Solar Radiation
3. Solar Collectors
4. Direct Conversion
5. Solar Storage
6. Bio-Conversion
7. Space Heating and Cooling
8. Ponds and Furnaces
9. Solar Pumps
10. Driers, Distillation and other Devices
11. Power Plant Systems
12. Wind Power
13. Ocean Thermal Gradient

Detailed Abstracts on work in these areas are solicited for reviewing. The Abstracts should list the Authors' affiliation and the complete mailing address. Abstract length should be no less than 400 and no more than 700 words.

Authors should include a Bibliography of the most important Technical Papers which have formed the basis for their work. The reviewing process will evaluate novelty and understanding.

Abstracts are due on February 15, 1977. Authors will be notified of acceptance or rejection prior to April 15, 1977. Instructions to Authors will be supplied at that time. Abstracts should be airmailed, in one original and two copies, to the nearer of these addresses.
