SUBSCRIPTION RATES 1976

For libraries, university departments, government laboratories industrial and other multiple-reader institutions, \$70.00.

Specially reduced rates to individuals: In the interests of maximizing the dissemination of the research results published in this important international journal we have established a two-tier price structure. Any individual whose institution takes out a library subscription, may purchase a second or additional subscription for personal use at the much reduced rate of U.S. \$25.00 per annum.
