### FIRST EUROPEAN CONGRESS OF BIOPHARMACEUTICS AND PHARMACOKINETICS

The *First European Congress of Biopharmaceutics and Pharmacokinetics* will be held at the *University of Clermont-Ferrand (France)* in *April 1981* and will be sponsored by the *International Pharmaceutical Federation (FIP)*. The purpose of this meeting is to give an opportunity to all those interested in the fields of biopharmaceutics, basic and clinical pharmacokinetics and related areas to congregate and exchange views.

The scientific programme will consist of lectures, symposia on selected topics, communications and a round-table discussion. An exhibition will be organized besides the congress. The official languages will be English and French, and simultaneous translation will be provided for lectures and symposia. A social programme, a ladies programme and post-congress tours are foreseen.

The provisional programme will be available in the Spring of 1980.

Requests pertaining to advance registration forms and abstract submission should be directed to:
