

Corrigendum

Comparative studies on the bioavailability of ampicillin anhydrate and trihydrate,
Ali, A.A. and Farouk, A., 9 (1981) 239–243

On. p.240, line8, *Penbritin* capsules are said to have originated from Bristol Laboratories which is incorrect since they are a product of *Beechar: Research Laboratories* as is later in the article correctly acknowledged in line5 of the Materials and Methods section.
