

Erratum

The influence of vehicle on permeation from saturated solutions

[Int. J. Pharm., 121 (1995) 27–36] *

Adam C. Watkinson, Henri Joubin, Darren M. Green, Keith R. Brain,
Jonathan Hadgraft

The authors and Publisher would like to make the following corrections to the above article.
page 33, Fig. 3 (including the legend) should be replaced by the following:

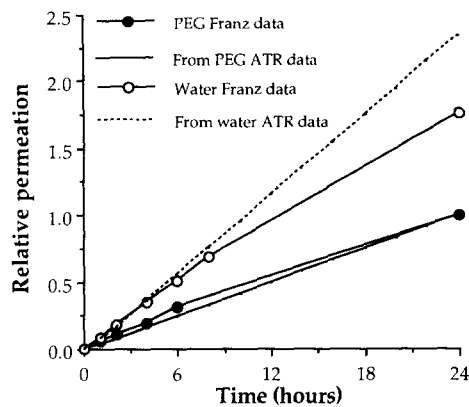

Fig. 3. Comparison of ATR derived simulated diffusion profiles with Franz cell diffusion profiles.

page 34, column 2, line 7 should read:

Fig. 5 shows the results of the Franz diffusion

* SSDI of original article: 0378-5173(94)00429-3.

page 34, the following figure, Fig. 5 (including the legend), which was inadvertently omitted, should be included

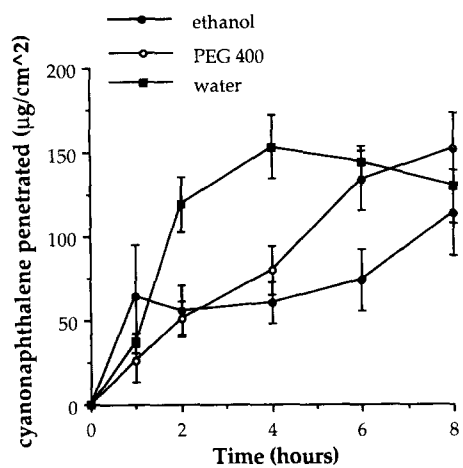

Fig. 5. Permeation of cyanonaphthalene through silicone membranes from different vehicles.
