

ERRATA

R. K. KAUL and G. HERRMANN, Free torsional vibrations of an elastic cylinder with laminated periodic structure. *Int. J. Solids Structures* 12, 449–466 (1976).

(1) In eqn (26) on p. 455 the second term $+\mu'\xi'$ of the last line should be omitted. In the same equation the plus sign on the second line before the left parenthesis should be omitted.

(2) In eqn (29a), on p. 456 the second line should be eliminated, while the third line should read

$$\left(\mu \cos \frac{\pi}{4} t \Omega \cos \frac{\pi}{4} \sigma t' \Omega - \sigma \mu' \sin \frac{\pi}{4} t \Omega \sin \frac{\pi}{4} \sigma t' \Omega \right) = 0,$$

(3) In eqn (52) on p. 462 omit 2 on the left-hand side.
