

## ERRATA

1. N. R. Bauld and L. S. Tzeng, A Vlasov theory for fiber-reinforced beams with thin-walled open cross sections. *Int. J. Solids Structures* **20**, 277–297 (1984).

Reference 6 contains an error. It should read as follows:

6. N. Akkas and N. R. Bauld, Jr., Buckling and initial postbuckling behavior clamped shallow spherical sandwich shells. *Int. J. Solids Structures* **7**, 1237–1259 (1971).

2. N. J. Pagano and S. R. Soni, Global-local laminate variational model. *Int. J. Solids Structures* **19**, 207–288 (1983).

In eqn (1), page 209:  $+w$  should be changed to  $-w$

In definitions for eqn (9), page 211:  $\phi$  should be read as  $f$ .

The publisher regrets these errors.
