

CALL FOR PAPERS

SOCIETY OF ENGINEERING SCIENCE 28th ANNUAL MEETING

University of Florida, Gainesville, Florida, U.S.A.
6–8 November 1991

Deadline for Abstracts: 15 May 1991

Papers are solicited in the traditional fields of engineering science including, but not limited to, the fields of solid mechanics, fluid mechanics and thermal sciences, materials science and engineering, rheology, structural dynamics and control, computational mechanics including supercomputing, applied mathematics, optics and optical methods in mechanics, electricity and magnetism, micromechanical devices, nonlinear phenomena, coastal and oceanographic engineering, geophysics and geomechanics, bioengineering, experimental mechanics and physics, optimization and design, nuclear engineering, solar energy and renewable energy sources, magneto-hydrodynamics.

Papers will be selected for presentation on the basis of contributed and invited abstracts. One typed original and one copy of the abstract should be mailed to:

Dr Martin A. Eisenberg or Dr Bhavani V. Sankar
Department of Aerospace Engineering, Mechanics and Engineering Science
231 Aerospace Building, University of Florida
Gainesville, FL 32611-2031, U.S.A.
Telephone: (904)392-0961, Fax: (904)392-7303.

Abstracts must be typed, single-spaced, on white 8½" by 11" bond paper with 1¼" margins on all four sides. Abstracts must not exceed one page. The authors' names and affiliation should follow a brief title. All abstracts should be received no later than **15 May 1991**. Notification of acceptance will be made by **1 July 1991**. Abstracts of accepted papers will be published in a volume to be distributed at the meeting. Authors will be encouraged to submit the full length paper for publication as *Engineering Sciences Preprints*, which will be available at the meeting for a nominal price.
