This material must *arrive* in the Congress Office in Ottawa *not later than 4 February 1980*. The Abstract should be submitted on a single page, typed double-space, and should contain the full name and the full address of the author(s).

2. *Simultaneously*, submit two additional copies each of the Extended Summary and the Abstract to:

Prof. J. Miklowitz
Division of Engineering and Applied Science
104-44
California Institute of Technology
Pasadena, CA 91125, U.S.A.

3. The USNC/TAM has been charged with the task of evaluating all U.S. contributed papers. The evaluation is in the hands of a committee consisting of S. H. Davies, J. Hutchinson, J. Miklowitz (Chairman), A. Roshko, W. R. Schowalter and R. T. Shield, and they will be assisted by a fairly large number of reviewers representing diverse areas of mechanics of fluids and solids. The resulting evaluation will then be used by the International Papers Committee as a guide for the final selection. Authors will be notified towards the end of April 1980 about the decision regarding their papers.

4. All technical meetings of the Congress will be held on the campus of the University of Toronto. Accommodations will be available at the University residence halls on campus and also at a number of hotels within easy walking distance to the campus. The registration fee for the Congress is \$125.00 Canadian.

5. The USNC/TAM is also making an effort to obtain funds in order to provide some travel assistance for U.S. participants in the International Congress in Toronto. Further details regarding this will be announced at a later date.
